

# Mrs. Barth

Hello Mrs. Patterick's class!

My name is Mrs. Barth and I am so thrilled to be helping you learn in the classroom! I am a student at BYU-Idaho and will be graduating in December. I am so excited to be working and learning from you as we become more acquainted!

I chose to use the above picture so that you could see who I might refer to or tell stories about throughout our time together; my family! I have been married for 3 years and have a little boy named Landen. He is 19 months old, and is toddling around playing with whatever he can get his hands on! In addition to this, my husband's name is Ben. Some things that I like to do are hike, read, watch movies, and play with my son. We are also expecting another baby in March. I am so excited to get to know each of you as well!

For the first week I will be observing and getting to know you. Then I will start to teach more lessons during class. After practice and guidance from Mrs. Patterick, I will start to take on Mrs. Patterick's role in the classroom.

September 13, 2017

Dear Students and Parents,

My name is Mrs. Barth and I will be student teaching with Mrs. Patterick for the next 14 weeks or so. I am completing my senior year at Brigham Young University Idaho, and will be graduating in Elementary Education with an emphasis in Language Arts.

I am from a city in central California and have been living in Idaho for the past 3 years due to attending school. My family and I are so excited to be here in Utah with you now and look forward to the adventure that awaits us.

I decided to become a teacher because I have always loved teaching others. In addition to this, I feel that teaching is also a wonderful way to make a huge difference in other people's lives. Our children are the future and I am so glad to be a part of that with them.

Mrs. Patterick and I will be working together to make this a great learning experience for all of us. I am excited to get to know each of you!

Best Regards,

Mrs. Barth
